***Refer-A-Business Eligibility:** The Refer-a-Business bonus is available when referring new business checking account customers only. The referring person must have a business checking account with the bank and be authorized to transact on behalf of the referring business. By participating, each business may be aware that the other is a customer of the bank. The \$100 bonus will be credited to the customer's account after the referred business opens a qualifying business checking account, provides the customer's name at account opening as the referrer and meets the \$100 bonus criteria below.

Refer-A-Business \$100 Bonus Criteria: The referred business must be enrolled in e-statements, activate a business debit card and conduct a minimum of 25 point of sale (POS) debit card transactions of \$10 or more posted to the account within the first 90 days of account opening OR enroll in e-statements, log in to Business Mobile Banking and complete at least 5 mobile deposits posted to the account within the first 90 days of account opening.

If achieved, the \$100 bonus will be credited to the customer's account by the last day of the statement cycle following the 90th day the business account was opened provided both the customer and business accounts are still open and in good standing at the time of payout. This is a limited time offer and subject to change anytime without notice. Bonus payouts may be 1099 reportable. Employees are not eligible.
